ARCHWAY - The Name

"A GOOD NAME - -

IS RATHER TO BE CHOSEN

THAN GREAT RICHES"

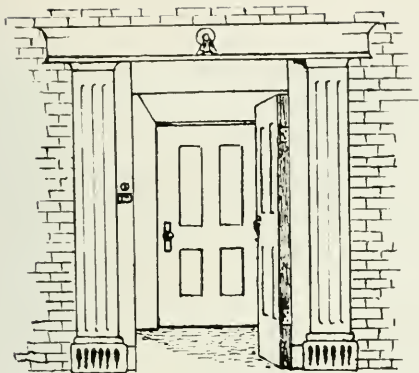

The door is the vital part of any architectural scheme. The architecture of a school building is often symbolic of the spirit of the learners. We believe this is true of the archway over the doors of the London Bible Institute.

No stone in a given structure is superfluous! Each one has been placed by the architect to fulfil a

purpose in his design. Though all are not of equal beauty or prominence, even the least of them cannot be removed without damage to the whole. Each student and each faculty member of our school has been chosen of God and placed here with definite purpose. God, the Master-BUILDER, knows the essential value of every living stone.

The keystone of an arch is the central stone upon which the strength of the arch depends. Christ is the Central Stone around Whom we students and teachers are grouped together finding our strength in Him. There is an interesting maxim referring to the continual interdependence of the stone of an arch - - 'an arch never sleeps'.

As you look through this Archway, you will have a clear, true perspective of school life. It is our earnest desire that you may see in its pages . . . Christ pre-eminent.

DOORS

There are doors that sway with each vagrant breeze,
And creak as they swing to and fro.
There is nothing within worth bringing out,
And through them no one cares to go.

There are doors that open on Pleasure's Hall,
And they blazen their wares abroad;
They tell of the joys that the flesh may find,
But have nothing to say of God.

There are doors that may lead to the Hall of Fame,
Or success in the Marts of Trade;
But will the success be worth the strife
When the final account is made?

But God opens doors for everyone;
This truth His Word doth declare:
And no hand but His shall close this door,
And none bar your entrance there.

A door to a life of service for Him,
And, though only one step you may see,
You may walk with your trust in His promise sure—
"As your day, so your strength shall be."

Then enter by faith this door, my friend,
And when your life's race is run,
You'll rejoice when you see the Master's face,
And hear Him say, "Child, well done."

Lovingly Dedicated to Our Registrar

Miss Jean C. Scott, B.A.

whose sweet Christian testimony and love for the students is a constant blessing and encouragement. Her dimpled smile never loses its lustre even amidst an office flooded with application forms, examination papers, fees, and any number of other duties.

"She does her best,
Nor ever murmurs at her humbler lot
But, with a smile and words of hope,
Gives zest to every toiler."

History

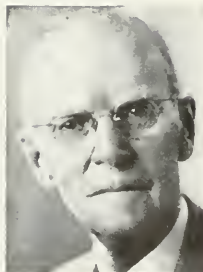

"Behind the doors also and the posts hast thou set up thy remembrance."

Isaiah 57:8

In 1935 Dr. J. W. Mahood answered the call of God and came to London to found the London Bible Institute. Dr. Mahood, for many years field representative of Moody Bible Institute, had retired to a Californian pastorate but readily relinquished this to do what he believed was a divinely designated task.

In a few weeks, bi-weekly night classes were started in the London Gospel Tabernacle and in 1938 the building at 517 Queens Avenue was purchased. Day classes were organized, and the school became a chartered Institute.

In 1944, at the age of 81, Dr. Mahood resigned the presidency of the school and Rev. James N. Bedford succeeded him on Feb. 1, 1945. During that summer, because of the increased enrolment of students, the school moved to its new larger home at 518 Queens Avenue. In September, 1947, a dedicatory service was held and the school building was given the official name of Mahood Hall in honour of our beloved founder.

IN MEMORIAM

William C. Benson

Whose interest, guidance, and stewardship had been an integral part of the life and growth of the London Bible Institute.

STATEMENT OF FAITH

1. We believe in the Scripture of the Old and New Testaments as verbally inspired by God, and inerrant in the original writings, and that they are of supreme and final authority in faith and life.
2. We believe in one God, eternally existing in three persons: Father, Son and Holy Spirit.
3. We believe that Jesus Christ was begotten by the Holy Spirit, and born of the Virgin Mary and is true God and true man.
4. We believe that man was created in the image of God, that he sinned, and thereby incurred not only physical death, but also that Spiritual death which is separation from God; and that all human beings are born with a sinful nature, and in the case of those who reach moral responsibility, become sinners in thought, word and deed.
5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures, as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.
6. We believe in the resurrection of the glorified body of our Lord, in His ascension into Heaven and in His present life there for us, as High Priest and Advocate.
7. We believe in "that blessed hope," the personal, premillennial and imminent return of our Lord and Saviour, Jesus Christ.
8. We believe that all who receive by Faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God.
9. We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved, and the everlasting, conscious punishment of the lost.

Faculty

PRESIDENT

JAMES N. BEDFORD, B.A., B.D.

The responsibility of administering the many and varied interests of a Bible Institute is no light one. This task is carried out admirably by one who has gained the confidence and love of the students by reason of his spiritual depth, intellectual acumen, and ready understanding.

The President's Message to the Class of '49

Now that your days of preparation at L.B.I. are over, and you are entering upon a life task, I should like to have you consider with me, what is the greatest need of the Church today. Is it more orthodoxy? Is it machinery? Is it movements, ecumenical or otherwise? Not at all! The greatest need of the Church today is an honest, heaven-sent revival! It is not a mere revival of form without fact, nor of word without heart, but one in which the Spirit of God has awakened the love of the Lord Jesus in human souls, kindling a passion to win the lost, and a willingness to step out of sight that the Spirit of God may do His work. What, then, is your place in this scheme of things? Will you live for "men, movements, machinery, and the inevitable monuments", or will you live for the Lord Jesus alone?

I would leave with you the word of the Lord unto Zerubbabel, "Not by might, nor by power, but by my Spirit saith the Lord of Hosts". The task that awaits you is tremendous. Never before has the call for service abroad and at home been more demanding, more exacting, than today, "and who is sufficient for these things?" In the midst of a changing world, remember that the weapons of your warfare have not changed. They are not carnal but spiritual, and are "mighty through God to the pulling down of strongholds". I earnestly covet for you a Spirit-enabled ministry. Your Bible School training is, at best, but a foundation. Submit all that you have to the mind and power of the Holy Spirit, that your ministry may count, not for time, but for eternity, remembering Peter's exhortation, "Humble yourselves, therefore, under the mighty hand of God, that He may exalt you in due time."

E. RALPH HOOPER, B.A., M.D.
Hon. M.D., Toronto, 1948
Dean

Out of rich experiences in a successful medical practice and in missionary service in numerous fields at home and abroad, Dr. Hooper offers lucid and beneficial instruction. His youthful spirit and understanding heart have won for him the love of all who know him. Because of his years of fellowship with the Lord, Dr. Hooper is unto us a wise and loving counsellor.

Mr. Honeyman's life at L.B.I. is a full and varied one. His responsibilities include the work of Superintendent, the direction of the Preparatory Department, supervision of the Practical Work, and last, but far from least, instruction in Greek. His stability, sincerity and devotion to the Word have given him a unique place in the life and work of the school.

JOHN HONEYMAN, B.A.
Superintendent

EVELYN REGIER, B.S., M.R.E.
Director of Christian
Education

The new Director of the Christian Education Department comes from Wheaton College, and The Biblical Seminary in New York. Her specialized training is proving helpful to those who desire to labour for the Lord in the realm of Christian Education.

The Director of our new Music Department comes to us well-trained and well-recommended. Mr. Carey has already proven his worth and acceptability among us.

WILLIAM G. CAREY, B.Mus.
Director of Music

Instructors

REV. RICHARD ADAMSON

Mr. Adamson makes a significant contribution to the Preparatory Department as he leads the "Preps" through the wonders of the Word in the courses in Bible Chapter Summary and Doctrinal Survey.

The students of the Missionary Course along with those of the Preparatory Department enjoy and appreciate the competent teaching of Mr. Browne as he seeks to equip them with a knowledge of the New Testament in French.

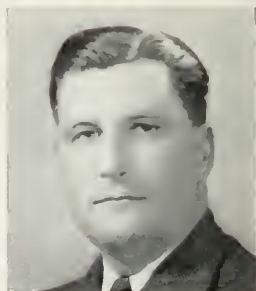

KENNETH BROWNE, B.A.

RUSSELL M. WINSLOW

The value of Archaeological investigation and discovery concerning evidences that further authenticate the truths of the Bible are clearly and acceptably presented by Mr. R. M. Winslow.

Mr. Kerr, a new member of the faculty this year, is teaching methods and manner of Personal Work to the Freshmen and Juniors. His experiences in the ministry help to qualify him for this specialized course which has its basis in a personal knowledge of Christ through His Word and has as its goal the salvation of the unredeemed.

REV. SIDNEY KERR

The courses in Homiletics and Pastoral Theology are necessary for the successful execution of the task of the pastor. On the basis of his training in Potomac State College, Western Maryland College, and Dickinson Seminary, and his wide experiences in the ministry, Mr. Logsdon proffers practical and profitable instruction in these courses.

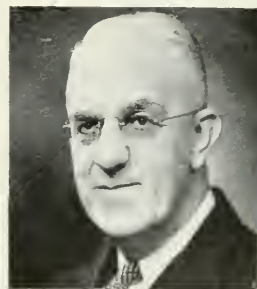

REV. S. FRANKLIN LOGSDON

A knowledge of the geographical emphases of the Word of God makes for better understanding of its message; a knowledge of the historical movements of missionary enterprise provides an understanding of God's programme for souls. In his courses in Bible Geography and History of Missions, Mr. Matthews adequately meets both of these needs.

W. D. EDISON MATTHEWS. B.A., B.Paed.

The Freshman class is led to a deeper and fuller understanding and appreciation of the Acts of the Apostles as they study under Mr. Wardell's direction the mighty acts of God in that important New Testament Book.

REV. GLENN I. WARDELL

JOHN E. BOEHMER. B.A., Th.M.

The Senior classmen owe their knowledge and appreciation of the profundities of Eschatology and Ecclesiology in Doctrine, and the deep things of God in Isaiah to Mr. Boehmer's capable instruction. Mr. Boehmer derived his secular training at Wheaton College and his theological training at Dallas Theological Seminary.

JEAN C. SCOTT, B.A.
Registrar

Although Miss Scott's official duties as Registrar and Secretary to the Board of Directors are heavy she very capably and joyfully fills the position of Instructress in English.

"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with Mine eye." Psalm 32:8

Into His Harvest

How often we have prayed "the Lord of the harvest that He send forth labourers into His harvest"! It has pleased our faithful Lord to call one of these labourers from among the members of our faculty. During this past year He has called out Miss Loewen, former Director of the Christian Education Department, into the whitened harvest fields of China.

Now thanks be unto God who will always cause her to triumph in Christ, and make manifest the savour of His knowledge by her in China.

LUELLE L. LOEWEN, M.A.

MRS. ROSA BALDWIN

House Mother

We praise God for the fellowship of dormitory life, and even for the problems which inevitably arise. Only one who knows and understands such problems can counsel wisely. Mother Baldwin's years of experience with young people and her close walk with the Lord fit her for her position as House Mother.

Although Mother Hooper fills no official position at L.B.I. she plays a not insignificant part in our school family. Her loving and practical words of exhortation are a real blessing to all who know her.

MRS. E. RALPH HOOPER

Introducing

OUR NEW BIBLE MUSIC DEPARTMENT

"A door was opened of the Lord."

For some time, it had been upon the hearts of our faculty to introduce into our school curriculum a music department. Simultaneously, the Lord had been speaking to Mr. Carey to surrender his position in secular school music and to enter into the ministry of preparing young people for the field of Gospel Music.

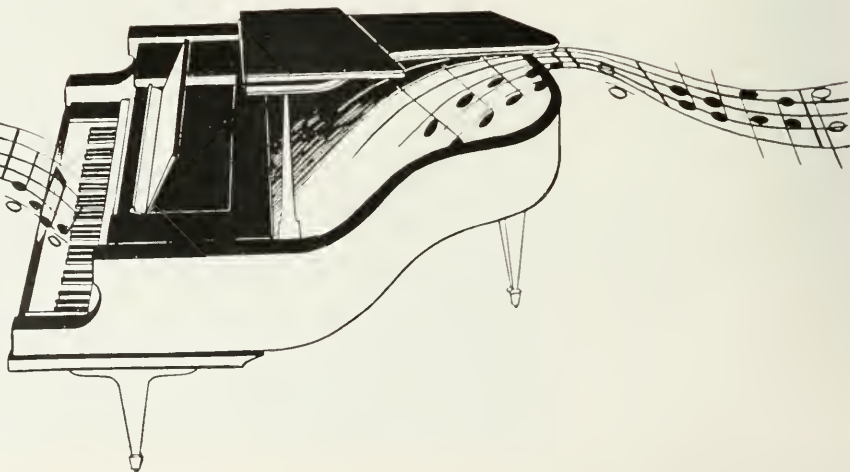

WILLIAM G. CAREY
B. Mus.

As a result, the Lord led him to L.E.I. He came to us from Mt. Holly, New Jersey, with a rich musical background having graduated from Tembs College of Music, Philadelphia, with further studies at Ithaca College of Music, Temple University, and the University of Pennsylvania.

The Bible Music Department offers a three-year course, consisting of the foundational subjects, namely Bible Analysis, Bible Survey and Doctrine together with the subjects in music.

The librarian who is one of our own graduates has laboured diligently to catalogue the ever increasing number of volumes which have been donated or purchased to meet the growing demands of a growing school.

We extend our gratitude to those of the Lord's people who have generously contributed to our library during the past years and to those who have shown their interest in this important part of our school.

KAY ERB, R.N.

Just before Christmas, we bade farewell to a well-loved member of our Junior class in the person of Kathleen Erb of Stratford, Ontario a Registered Nurse, graduate of the Woodstock General Hospital.

Near the beginning of the school year Kay heard God's call to South America, and now with Dr. and Mrs. Paul Roberts of Toronto, has flown to Quito, Equador to set up an Indian Hostel-Clinic near HCJB, "the Voice of the Andes" Radio Station. There she will have a share in the ministry of healing broken bodies and spirits among the people of Equador.

"Lord, speak to her, that she may speak
In living echoes of Thy tone;
As Thou hast sought, so let her seek
Thine erring children lost and lone.

Oh, lead her, Lord, that she may lead
The wandering and the wavering feet!
Oh, feed her, Lord, that she may feed
Thy hungering ones with manna sweet!

Oh, strengthen her, that while she stands
Firm on the Rock, and strong in Thee,
She may stretch out a loving hand
To needy ones near the southern sea."

"For as we have many members in one body, and all members have not the same office: so we, being many, are one body in Christ, and every one members one of another. Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; or ministry, let us wait on our ministering: or he that teacheth, on teaching." Rom. 12:4-7.

First of all, to be a Christian is a wonderful thing. To know that our sins have been washed away by the precious blood of Christ, to have that indescribable peace in our heart that comes from knowing Him as Saviour and Friend, to know that unspeakable joy that comes from being a child of God, are experiences that we would not barter for all that the world could give, but would covet for every reader of this book.

Secondly, to be a student in a Bible school is also a wonderful thing. The days at L.B.I. are not all sunny. Clouds gather occasionally, but only to result in showers of blessing. Then the blue sky of God's grace shows through more clearly; the sunshine of His love beams down more brightly.

Although our student body is increasing, we still maintain our family spirit. Faculty and students together kneel before one common Mercy Seat, share mutual joys, and mutual burdens.

"For the same Lord over all is rich unto all that call upon Him." Rom. 10:12.

Perhaps Solomon's statements "Of making many books there is no end; and much study is a weariness of the flesh" could be applied to the composition of a school yearbook. For the Archway Staff, publication and education go hand in hand. However, the Lord has faithfully supplied the necessary strength and wisdom. Each member would offer sincere praise to our Lord for the privilege of serving Him by the editing of this book.

The Student Council is the mediatorial body between faculty and student body. The members, elected by the classes, are given opportunity for free expression of opinion and their recommendations and admonitions are conveyed to both faculty and student body. The most important function of the council is to discuss the problems pertinent to the students' welfare, and as a result deepen spiritual life, develop physical life, and enrich social life.

FOREIGN

Strange to us are the customs, traditions, languages, and religions of people of other lands, but we have found that this strangeness disappears as we hear the experiences of God's messengers from all over the world, and see their pictures of the people in whose countries darkness, fear, and superstition reign.

MISSIONS

A vision of the work of faith missions throughout the world, brings with it the question, "What is my mission in life?" So within our hearts comes the desire to tell the world that "Jesus Saves". Some may go as evangelists, some as nurses, some as teachers—but there is room for all.

FELLOWSHIP

What a privilege and blessing it is to join together in discussions, in social times, and most of all in prayer time, interceding for the needy people in various lands, remembering God's servants labouring there, and seeking to know His place and purpose for our own lives.

"God, give us hearts of love to see
The multitudes in need, that we
May have compassion on the lost;
That far and wide, the hungry ones to feed
With Living Bread to meet their need,
May be our aim at any cost."

Faithful to the Lord's command, "Go out into the highways and hedges, and compel them to come in, that my house may be filled" (Luke 14:23), a number of students are found in prayer every Saturday night at 7:15, seeking the strength of the Lord and His enabling power to present the message of salvation in the open air.

If you should be passing the corner of Clarence and Dundas Streets on a Saturday evening between eight and nine o'clock, you would be attracted by bright gospel singing, short vibrant testimonies given by earnest young people, packing every minute full of the life-giving Word.

Our sole purpose in conducting these meetings is to attract men and women to "the Lamb of God which taketh away the sin of the world", the only One Who can bring them the satisfaction they are seeking in this life.

"Out in the highways, out in the byways,

Out in the dark paths of sin,

Go forth, go forth with a loving heart,

And gather the wanderers in!"

"So shall my Word be that goeth forth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it". Isaiah 55:11

The passing of a tract from one hand to another seems a very insignificant act but the influence of such can never be estimated. Why? Because in that hand we have placed the very dynamite of God, "quick and powerful and sharper than any two-edged sword," "for the law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple, . . . the commandment of the Lord is pure, enlightening the eyes."

During the past year, this Word of life, attractively presented in tract form, has been placed by the students in the hands of thousands of unsaved at open air meetings, in hospitals, at places of work, in letters, and in home visitation.

"If I can do a kindly deed,
If I can help someone in need,
If I can sow a fruitful seed,
Lord, show me how."

Besides taking part in Gospel broadcasts, they have presented concerts in several of the churches throughout Western Ontario.

The Son of Man, who "is come to seek and to save that which was lost" thrusts forth a number of students each summer into the unevangelized rural areas of Canada from Manitoba through Ontario and out into the Maritimes. The same "angel of God who went before the camp of Israel . . . and stood behind them" gave guidance and blessing to those L.B.I. students who were in responsible positions in children's and young people's camps. Their trust in God proved to be the source of wisdom for their tasks as counsellors, activity directors, and camp nurses. His blessing was manifested in that precious souls found Christ and grew in grace.

SERVICE AT MASON VILLA HOSPITAL

To those nearing the sunset of life, whose lives have passed over many rough and rugged places, we present "the altogether lovely One" Who still says today "Come unto me, all ye that labour and are heavy laden, and I will give you rest". (Matt. 11:28) What a privilege is ours to bring to them the Gospel in sermon, testimony, and song, to look into the faces and clasp the hands of those who, with radiant and undimmed hope await their entrance into the Gloryland.

Song of Solomon 2:4

One of the most delightful social events of the school year is the annual Senior Banquet which is held in the Spring. The banquet in honour of the graduation class of '48 was held in Fingal Hall, University of Western Ontario. A challenging message on the "Unquestionable Wisdom of God", given by Dean J. E. Hartill of Northwestern Bible School, exhorted those students who were soon to leave for their various fields of service to

"LET HIM LEAD"

"He shall lead me, wheresoever I may go,
Through the tempest or where quiet waters flow.
If I trust Him and His precepts follow still,
He shall lead me to the centre of His will."

Then a golden silence falls as study hour begins. We would never presume to know how much studying is really done—only class periods and term examinations can reveal such mysteries!

Many a day ends happily with a 'little something' just before lights go out at 10:30. After lunch and laughter, alarm clocks are set. One by one, voices fade away to whispers and grateful students kneel to thank God for His care throughout the day—knowing that He that keepeth them will not slumber.

After a long day of classes and afternoon employment, the students in Dormitory meet together for evening prayer—sharing burdens, finding peace of mind and heart according to God's promise.

At 9:30 the silence is broken as books are closed and conversation hits a new 'Hi'. The piano in the girls' living-room sounds a welcomed invitation—

"Come ye that love the Lord,
And let your joys be known".

"May the God of steadfastness and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus, that together you may with one voice glorify the God and Father of our Lord Jesus Christ."

Romans 15:5, 6 (R.V.)

"Oh how I hate to get up in the morning"
but when I do, just watch that lather fly,
that Ipana smile emerge, and those eyes open
to the morning light!

Three members of the "Homelovers' Guild" spend a quiet evening reviewing history from a folding chart. The year 4000 B.C. is pinned to the ceiling in the kitchen, the Pilgrim Fathers are resting on the kitchen stove, while the girls in the living-room study intently 'Modern Trends'.

The noon-hour rush at L.B.I. has all the characteristics of a bargain sale as flying feet scurry to mail boxes. Hopeful hands reach out and the results are evident in the ensuing shrieks or groans.

Gym

The alertness of mind and body which can be developed only through physical exercise is vital to a well-rounded Christian personality. The physical stimulus necessary for intensive study is provided by active games in a Christian atmosphere. Girls' physical training is directed by Miss Regier.

With so strenuous a life required of Christian leaders, only a strong body is able to meet the demands of active Christian service. To provide some assistance in developing such bodies, our boys' gym program is maintained under the capable coaching of Mr. Honeyman.

These periods of relaxation are held on alternate Monday evenings for the boys and girls in H. B. Beal Technical School gymnasium.

In India Today . . .

- The doors are still open to the preaching of the Gospel
- The people are more responsive to the Gospel message than ever!

Therefore . . .
we continue to advance

- ★ WE ARE sending new missionaries and calling for more single men and women and married couples.
- ★ now operating two Bible schools to train native preachers—one is just newly opened in North India.
- ★ planning two new orphanages for destitute children in North India, in addition to our four in South India.
- ★ occupying new areas and building new buildings besides maintaining our regular work.

The Faith Mission In Canada

(Incorporated)

The parent-mission was instituted more than sixty years ago in Scotland, and now operates in Great Britain, Ireland, Eire, South Africa and Canada. Its primary objective is to preach the Gospel in our rural areas and small towns, as well as on the beaches. We are praying for one hundred God-called men and women. We ask for the prayers of God's people for this inter-denominational society.

Greeks Anxious To Hear The Gospel

Yes, during the past year multitudes of hungry hearts heard the Word of Life, and many accepted Jesus Christ as Saviour and Lord. By your kind assistance we have been enabled to minister to the spiritual and physical needs of these destitute people. The need is just as great as ever this year, and we again solicit your prayer support. Let us send you the "Greek-Evangel" our quarterly publication free for one year.
